BOARD OF HEALTH.

Its Members Indulge in an Executive Session.

At the regular meeting of the Board of Health yesterday there were present president W. O. Smith, Messrs. Lansing, Waterhouse and D. Kellipio, Drs. Emerson, Wood, Myers, Cooper, Wayson and Armitage, C. B. Reynolds, executive officer and Secretary Wilcox.

The president reported that the Hawaiian Fruit and Taro Company, represented by W. Luther Wilcox, had been awarded the contract for supplying the Leper Settlement at Molokai with pal-ai at 50 cents per hundred - weight with bond fixed at \$1500. The term of the contract is for four years. Seven Chinese firms bid for the contract at prices ranging from 50 to 53½ cents, two at the former, three at the latter rate.

Reports from the officers of the Leper Settlement and the agent under the Mitigation Act were read and filed.

Dr. Oliver's report on the treatment of lepers on Molokai was accepted and referred to the Committee on Leprosy.

An application from Father Conradi for leave to leave the Leper Settlement and return was ordered to be answered with a refusal until the return to the country of the Bishop of Pano-polis.

The quarterly report of Malulani hospital, Wailuku, was presented and filed.

Dr. Emerson reported on the merits of Murdoch's Liquid Food. He stated there was a supply on hand and recommended that it be used at the Leper Settlement.

At ten minutes to four the Board went into executive session to inquire into the charges made against Dr. Armitage and hear testimony for the defense.

Man is generally as vain as a woman, but it is almost an impossibility to get him to admit it. Some are particular about the shape of their hats, others are daft on shoes; but the last mother's son of them will insist on a

There are several kinds of fits, however, some are hereditary, some are brought on by heat, over-exertion, etc., but the fit that is brought about by us is not affected by the heat or cold, but is nevertheless hereditary with us.
